Substance abuse affects everyone. **Hidden in Plain Sight** is a hands-on interactive learning opportunity presented by **Special Agent Timothy P. McMahon**, Public Information Office, DEA-Drug Enforcement Administration, NJ Division, Newark, NJ. Using an actual bedroom that you can walk through, Agent McMahon will highlight signs and symptoms of alcohol/drug abuse and teach skills for proactive parenting. Vaping tools will also be covered.

This presentation will give you tools to address possible problems.

For ALL parents, caregivers, adults over 21, community members, educators and adults working with youth. **No one under 21 will be permitted to attend.**
