

**African American Culture Club**

**Advisor: Angela Jordan**

**Meets Every Monday**

**Room: D221**

**2:00—3:00 pm**

The African-American Culture Club (AACC) was re-established as the SHADES of U.S. Club in recognition of the fact that the African-American Culture Club grew to include not only African-Americans students, but also students from Nigeria, Egypt, Ghana, Puerto Rico, Haiti, Dominican Republic, Brazil, Morocco, and more than 15 other countries. SHADES of U. S. more accurately reflects the diversity, cultures, hence “shades” of not just the club members, but of the larger student body of Piscataway High School. SHADES draws upon a key strength of PHS, the diversity of our student body and school community. Built by students to learn about other cultural backgrounds and perspectives and while working together to perform service projects to improve their school and community, participate in and create programs to enhance awareness, acceptance and inclusiveness throughout PHS. **S** – South America, **H** – Haiti and Honduras, **A** – African-Americans, Africans, Asians, All Americans, All Genders, **D** - Dominican Republic and countries of the Caribbean, **E** – Europeans, Ethiopians, Ecuadorians, Egyptians, and Everyone in PHS, **S** – So many different races, religions, cultures, and nationalities of these **United States**

**Animation Club**

**Advisor: Ms. Sylvan**

**Meets Every Day during Homeroom**

**Room G110**

The Animation Club was established to give students an opportunity to learn and practice some of the computer animation programs we have in the Digital Lab. Students who are currently in an Animation class or have taken Animation classes are welcome along with any serious animators who are thinking of going to Art school but are not in a class. Students may use the club to expand their skillset and build a portfolio which could be used for college applications. Members are encouraged to share ideas and their productions with the rest of the club. Animation showcases occur each Marking Period and allow students to exhibit their work.

**Barcelona Exchange Program**

**Director: Ms. Herrera**

**RM 178**

Students travel to Barcelona, Spain & stay with pen pals from our Sister School, El Colegio Sagrada Familia. Later, that same pen pal will come & stay with you &

your family in Piscataway. Participants experience complete Spanish language & culture immersion. Not only do they visit museums & landmarks, but they also get to see daily life of a high school student in Spain through their school, friends & family. For the 2<sup>nd</sup> half of the program, participants & their families are able to show their pen pal American culture & our way of life here in Piscataway. Open to students in 10<sup>th</sup> grade & up and for students at least in Spanish 3 or higher, or who have equivalent Spanish abilities

**Black Culture Society**  
**Advisor: Mr. Viney**  
**Meets Every Monday**  
**Room: 209**

In this society, the members will engage in discourse, debates, and much more concerning the African Diaspora and African Americans. We will try our very best to inform all members about very important topics in black culture. We will also actively engage students in career opportunities, field trips, and lectures from successful black men and women in different fields (careers). We plan to support the members in their future careers, academics, and give them an outlet (safe place) to discuss topics that concern them individually/personally.

**Book Club**  
**Advisor: Ms. Memoli**  
**Meets during HR2**  
**Media Center**

The PHS Book Club is a student-run club, open to anyone who likes to read. Club members will not read the same book, but a book from the same genre every month. The genre will be different from month to month, and hopefully, this will encourage members to read outside of their favorite areas. Various authors and book genres will be discussed. If you love reading and are interested in sharing what you've read, then this club is for you! The Book Club meets as a specialty

homeroom during homeroom 2. Club members are encouraged to also volunteer in the Media Center and with any fundraising activities.

### **CAREER ASSOCIATION**

**Advisor: Mrs. Leacy**

**Meets 2<sup>nd</sup> & 4<sup>th</sup> Thursday**

**Room: E140**

**2:00-3:00**

Career Association is a newly introduced club focused on helping the student body with career oriented meetings. Our main goal is to provide students with more information on many career fields that they may be interested in pursuing and expose them to a wide variety of careers. Also we aim to educate our members on how to apply for opportunities such as scholarships and internships. This club is for anyone that wants to gain more knowledge about the real world and we want to help students shape the path they choose.

### **Chemistry I Team**

**Advisor: Dr. Mrotek**

**Meets Every Thursday**

**Room C149**

**2:00—3:00 pm**

Chemistry I is one of the teams in the New Jersey Science League. Chemistry I is offered to students who are in a first year high school chemistry class. The team meets on Thursdays after school to learn various chemistry topics ranging from the atom to thermo chemistry. The New Jersey Science League then tests each student once a month starting in January and ending in April. Based on the results of these tests, the students and the team get ranking compared to other high schools throughout the state.

The main purpose of the French Club is to promote enthusiasm among students for the French language and culture and to provide students with a friendly but serious way to approach a new language.

**GenEn (SMAP)**  
**Advisors: Craig Lollin/Lesley Wilson**  
**Meeting Every Thursday (and other days as needed; dictated by the pace of ongoing research)**  
**Room 140**  
**2:00—3:15 pm**

The GenEn Club is designed to introduce high school students to modern molecular genetics by having them conduct genuine research projects. It involves an intensive multi-week program at the Waksman Institute over the summer (for the WSSP Student Scholar only) and then continues throughout the school year with regular meetings to discuss research progress and culminates with a poster presentation of findings at Rutgers University in Piscataway. The current project focuses on the genomic sequence analysis of Duckweed *Landoltia punctata* and how its genes compare with other species. Students first isolate and then sequence the organism's genes and this information is deposited in the National Center for Biotechnology Information (NCBI) for use by scientists throughout the world. Using the gene sequence information, students compare the evolutionary relationship between *L. punctata* and other Eukaryotes.

**GirlUp Club**

**3-5 Competitions a Month from September - April**  
**Room A05**  
**2:00 –3:00 pm**

The Piscataway High School Math League is open to students in grades 9 through 12. Participation in Math League broadens a student's critical reasoning skills by solving challenging math problems. It extends a student's knowledge of math beyond the traditional high school curriculum by exposing the student to concepts such as different number bases and modular math. It offers students the opportunity to demonstrate their math skills in a competitive environment. It also provides opportunities to communicate mathematically with students from other high schools in Central Jersey. The PHS Math team has finished in the first place category for 17 consecutive years in the American Scholastic Math League.

**Med Club**  
**Adviser: Ms. Kochupurackal**  
**Location: Patton Room 121**  
**When: Biweekly on Wednesdays @ 2pm**

Description: Med Club was established to give students an opportunity to learn about the various careers in the healthcare field. We have created a hub for students to engage and grow in their desired career fields. During the year we hope to invite multiple guest lecturers who will discuss their field of study. We will also take some time to review the application process for various medical programs. Students will fundraise for a charity and attend trips to the local Nursing homes and hospitals.

**Piscataway Beatification Club**  
**Advisor: Mr. Reynolds**  
**Meets Weekly**  
**Room D 234**

This club has the goal of making Piscataway High School a more beautiful place. The club meets once every seven day cycle during homeroom. We do things like clean up trash around campus, plant flowers, design and paint hallway murals, and advocate for improvements to bathrooms. We also want to improve school atmosphere by encouraging positive peer-to-peer interactions. This is a great club for you if you are interested in making PHS a better, more beautiful place.

**Piscataway Gives Back (PGB)**  
**Advisor: Amani Shalan**  
**Meetings every other Wednesday (Twice a month)**  
**Location: Patton Building Room 120**  
**Time: 2:00-3:00**

Piscataway Gives Back is an opportunity for people to come together and give back to those who need it most. These include promotion the creation and coordination of events and directing funds towards causes we care about, with events ranging from small bake sales to bigger community-wide fundraisers. The inspiration for this club is the Sean Hanna Foundations for Pediatric Cancer located here in Piscataway, directed toward a strong young boy who left behind a legacy we intend to honor. PGB stands as a safe space for new freshman, which is something that differentiates us from others. We understand little guidance and support to the new class and we sincerely want to make a change. Everyone, regardless of their experiences or grade level will be able to contribute to the fullest and get as involve as they would like, something that is difficult to find elsewhere.

**Piscatorama Yearbook**  
**Editorial Advisors: Sarah Coppola**

**Upcoming Freshman Involvement (UFI)**  
**Advisor: Shirley Aviles**  
**Meetings: Monthly**  
**Anthony Counseling**  
**2 – 3 pm**

The club focuses on increasing communication with 8th graders and current high schoolers with hopes of preparing them for the transition to high school. Our main goal is to better help them to prepare for high school over a period of time so they won't be overwhelmed once they arrive to PHS. From UFI, they'll be learning more about the certain classes they can take here at the high school, various clubs, as well as other programs such as the various academies provided by PHS. Along with that, they can better understand expectations and regulations of our school. Communication with the middle schoolers will happen through the various NJHS groups and hopefully they'll be able to spread the information to their fellow peers.

**Video Gaming For Charity**  
**Advisors: Mr. Soin**  
**Meets: Every Monday**  
**Room: D 222**  
**2 – 3 pm**

The Video Gaming for Charity is for anyone who enjoys playing video games and would like to participate in tournaments to win prizes while also donating to charity. In the club, members will pay to participate in weekly tournaments that will raise money to go to a specific charity. Games and charities will also be changed regularly. Students do not have to pay in order to be members and can earn volunteer hours by helping with the tournament set-up or other activities.

**World Language Honor Society**  
**Advisors: Veronica Ber, Sylvia Guensch, Adele Marra-Gersbeck**  
**Meets Every 3rd Wednesday of the month (once a month)**  
**Room: Anthony Commons**  
**2:00-3:00 pm**

The mission of World Language Honor Society is to recognize the extraordinary achievement of students who study French, Italian, and Spanish. The WLHS promotes the importance of acquiring a second language through cultural celebrations and community service. Students must be in 10<sup>th</sup> grade and taking a level 3 language course or higher. In order to join, students must complete an application with specific grade, dues and service requirements in order to be considered for induction. See your corresponding language teacher for more information and application.

**WVPH Radio Club**  
**Advisor: Mr. Nowak**  
**Meets Once a Month and the Day of Your Show**  
**Radio Station**

WVPH Radio Club gives students an opportunity to learn and experience radio broadcasting. It provides them with the opportunity to learn the station equipment while practicing audio production techniques. They host their own live radio show over the air. Club members will also work with audio production programs to learn the basic audio editing. The Club also has the opportunity to remote broadcast school events, with a main focus on sports. We also perform the public service of keeping the community of Piscataway informed of upcoming events and news in the area. This provides original community programming on matters that affect the communities surrounding us.
